

Digital AlburyCBD Gift Cards

Giving customers more ways to shop local

Digital AlburyCBD Gift Cards are now available! Digital gift cards give customers more flexibility with how and where they shop, and gives more businesses an opportunity to be part of the AlburyCBD gift card program!

What you need to know as a business:

Why digital gift cards?

Introducing digital gift cards means more businesses can now be part of the AlburyCBD Gift Card program. The original gift cards can only be used on EFTPOS terminals, so introducing digital gift cards mean businesses with Square readers can now be part of the gift card program too.

What businesses can accept digital gift cards?

All businesses who can accept digital cards as payment (ie: 'tap' with a smart phone or smartwatch) can accept the digital AlburyCBD gift cards. However, businesses do need to register to be part of the AlburyCBD gift card program.

Will the physical gift cards still be in use?

Yes! The original AlburyCBD gift cards are still available to spend and purchase.

My business already accepts AlburyCBD gift cards, do I need to register again?

No, we have updated your registration to also include digital gift cards. Only businesses who are new to the program, ie: those with Square readers, will need to register.
